SPEAKERS AND SUBWOOFERS

## SV-1212NR

### PASSIVE SUBWOOFER

The SV-1212NR combines style with brute strength and precision. Dual 12-inch reference aluminum cone subwoofers and a down-firing vent work in unison to give the SV-1212NR an awesome performance boost, leaving the competition's subwoofers wishing they had more to give. The

SV-1212NR is also designed to support the SV-831R monitor speakers for a world-class, audiophile-grade modular speaker system intended for larger, high-end home theater and 2-channel applications.
