EP-SB

BLUETOOTH® STEREO EARPHONES

Designed specifically for those who are always on-the-go, the new EP-SB wireless in-ear headphones from RBH are the perfect companion during your workout, golf game, morning jog, while making dinner, or anytime you just want to listen to your music and talk without the hassle of wires. The EP-SB Bluetooth® earphones deliver a level of audio performance typically not associated with sport model Bluetooth® earphones. You'll quickly find the EP-SBs sound better than many of the wired headphones you've ever heard. Featuring Bluetooth® 4.0, and aptX® technologies, the EP-SB earphones provide unrestrained compatibility with the latest smartphones, computers, or any Bluetooth® enabled device.
