ON-WALL SPEAKERS

ULTRA-1

ON-WALL SURROUND SPEAKER

This versatile on-wall speaker is the answer to many installation conundrums. It's sleek, contemporary design with a magnetic mounted black fabric grille complements most any décor. At only 1-5/8-inches thick, 18-inches tall and just over 6-1/2-inches wide, it fits almost anywhere you can pull a wire through a wall. The pull-through ez-wire terminal cup makes connection a breeze.

(170mm W x 457mm H x 41mm D)**WEIGHT:**

3.85 lbs. (1.75 kg)

WARRANTY:

5 Years*

Add the features of either traditional mounting using the installed steel keyhole cups in back, or the fast and highly secure screw-through front mounts and you will soon find that this and its mate, the Ultra-3, are easily and quickly installed. The provides true and clear RBH sound quality in locations previously unobtainable. These can be places such as cement, plastered, block or brick walls, or the rental that won't allow holes cut to mount a traditional in-wall. Combine the with the Ultra-3 LCR on-wall and an RBH subwoofer and you've got a surround-sound system ready to go in minutes. The proprietary inverted aluminum cone 4-inch woofers and aluminum tweeter with textured phase plug are the innovations that enable such a thin cabinet. We recommend pairing with an RBH subwoofer for best full-range performance. The is a fast and easy sound solution.
