

EMP TEK SERIES

EF50 BOOKSHELF SPEAKERS

THIS PRODUCT HAS BEEN DISCONTINUED

Offering a great degree of flexibility, the EF50 Bookshelf speakers will please even the most discerning decorator. The compact size of the EF50 makes it easy to fit into any room, and the removable faceplate design means that you can change the appearance of the speaker by simply removing one faceplate and replacing it with another. The optional interchangeable faceplates available in rosewood, cherry and black are sold separately.
