rbh signature product

TWO WAY 6 1/2" BOOKSHELF SPEAKER REFERENCE AND SIGNATURE OPTIONS

You will love the intoxicatingly articulate musical capability of this small speaker! It has the uncanny ability to both fill a room, or perform as an outstanding nearfield monitor.

It is timbre matched to blend seamlessly with other RBH Signature on-wall, in-wall or in-room products, providing endless possibilities for **Your** multichannel integration needs.

61-SF 61-SF/R

The 61-SF is an astounding bookshelf speaker. You will fall in love with the abundance of full, precise, room-filling sound from its optimized aluminum cone mid-woofer and silk dome tweeter combination. Ideal for situations where floor space is at a premium, the 61-SF is designed for both audiophile music systems and multi-channel home theaters alike.

The 61-SF/R (reference version) further enhances the palpable capability of this speaker by replacing signature drivers with the award-winning **RBH Sound Reference Driver package**. This dramatic change extends clarity, detail and imaging. This upgrade includes:

- RBH Reference AMT tweeter
- RBH Reference aluminum mid driver with solid metal phase plugs
- Enhanced crossover circuit

SF-SERIES Freestanding Bookshelf On-wall

- Available in black or silver, standard or reference aluminum drivers

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the SF, SV or SI-Series
