Easy French Cleat Mounting

Magnetically Attached Grille

French cleat speaker mounting is secure and simple. Combine with RBH 821SW/R models plus our dual 12in Subwoofers to easily achieve an immense sound experience!

# 8400-SW/R 8600-SW/R

BIG! But still easy to install. We loaded these companions to your big screens with four or six of our proprietary 8" cast frame alu cone drivers and three high-performance Aurum Cantus AMT tweeters all housed in our locally hand made HDF cabinet to make a large LCR sound bar that will handle the output you require to immerse yourself into your favorite movies or practically a live musical performance. The 8400-SW/R fits TV dimensions of 65, 75 and 85 inches. The 8600-SW/R is standard sized to fit 85in TVs but can be custom sized to fit larger TVs or your screen. Both can also be employed as wide format center channels for large theaters. Combine with our 821-SW/R models and a pair of dual 12in subs or our UNRIVALED 21-SF/R for a truly unbelievable experience! All in the fraction of the usual time to achieve this level of performance. Amazing!
