UNRIVALED AUDIOPHILE TOWERS

FULL RANGE - ENVELOPING - POWERFUL

You will love the beautiful, artistic appearance and powerful, balanced sound of your **UNRIVALED** 8300/PX full-range tower speakers. Hand made reference crossovers make it happen!

Striking conversation starters, **UNRIVALED** performance to match. The active 8300-AX is a dynamic and powerful experience that never looked, or sounded, so good!

UNRIVALED

8300/AX & PX

This beautiful, individually hand built and painted, passive or active tower speaker pair will be a stunning addition to your home décor and audio listening experience. The proprietary AMT tweeters, 6.5 inch aluminum cone mids and 8 inch woofers are expertly guided by our hand made audiophile grade crossovers or, in the Active AX version, a shared Marani® PDA-540PF Amplifier. It's all brought together via Kimber Kable® and reference terminals to work in concert with your quality components to culminate in pure audio joy! You will be captivated by this speaker's power, imaging and realism. Two channel immersive listening will become a happy place that will have you listening to your favorites all over again. Your movies will become so dynamic you will truly notice nuances you have never heard.
