UNRIVALED

PRISTINE 12 INCH SUBWOOFER

SPEED, FINESSE, PRECISION, MUSICALITY

You love your music and you want to bring out the best bass with precision and depth, the UNRIVALED 12S is sure to deliver an intoxicating experience.

With the combination of G.A.D.S. and the Acrylic Polymer panels, the UNRIVALED 12S is so inert that you will experience bass with an unreal tightness, accuracy, and musicality.

UNRIVALED 12NS & 12PS

With the tried and true 12" Aluminum High Powered driver from RBH Sound, bring your music to the next level with this thrilling new offering. This is the RBH UNRIVALED 12S Subwoofer. Experience speed and precision like no other sub in the history of RBH Sound. This is the definitive king of musicality!

With upgraded damping, wiring, and with the addition of G.A.D.S. and acrylic polymer side panels, this sub becomes an extremely inert offering, which means the sub driver does all of the talking and significantly reducing extra energy that is otherwise emitted from the cabinet. This results in speed, precision, and linearity that is sure to excite your senses. Experience lightning transients in your favorite movies with thunderous power and infrasonic capabilities.

These subs are even stackable for endless power and creative applications.
